TONY PARK will launch his brand new novel, "The Delta", which is an adventure story based in Botswana's Okavango Delta. Tony lives a life we can only dream of!

MATILDA SCARFE was born in South Africa, and her passion is cooking, so Matilda will take over the "Trio's" kitchen for the evening, and create a genuine African menu. Matilda markets a range of delicious, authentic African products under the name "Gourmet Afrika" and has self published an African cookbook.

BOB NELSON is a Noosa local who has a strong connection with Africa and a superb talent for photography.
